Brand Name of Alternative Grease Removal Device (GRD):
Model #:

Please include the following documents to support your request:

1. Documentation from manufacturer that proposed GRD is sized properly for your facility and will be at a minimum, as effective as an in-ground 1,000-gallon grease interceptor designed with a 30-minute hydraulic detention time.
2. Plumbing plans and equipment specifications.
3. Johnson County Environmental Department Grease Interceptor Operating Permit application and fee, unless it has previously been submitted.
4. A check for the variance request fee of $346.50. (non-refundable)

I certify that the information submitted is, to the best of my knowledge and belief, true, accurate, and complete.
